```css
a {
  color: #0066cc; /* Set link color to a blue shade */
  text-decoration: none; /* Remove underline from link */
}

a:hover {
  color: #003366; /* Darken link color on hover */
  text-decoration: underline; /* Add underline on hover */
}

a:focus {
  outline: 2px solid #0066cc; /* Add a blue outline when link is in focus */
}

a:visited {
  color: #663399; /* Change link color for visited links */
}

a:active {
  color: #ff0000; /* Change link color when clicked */
  text-decoration: underline; /* Add underline when clicked */
}
```
